Subject to Legal Review for Accuracy, Clarity, and Consistency

APPENDIX 2-B-1
KOREA

Notes

1. This Appendix applies to tariff rate quotas (“TRQs”) adopted in this Agreement, and contains modifications of the provisions of the Harmonized Schedule of Korea (HSK) pursuant to this Agreement. Originating goods included in this Appendix are subject to the rates of duty set out in this Appendix in lieu of the rates of duty set out in Chapters 1 through 97 of the HSK. Notwithstanding any tariff-rate quota provisions provided for elsewhere in the HSK, originating goods in the quantities described in this Appendix shall be permitted entry into Korea as provided in this Appendix. Furthermore, any quantity of originating goods imported from the United States under a tariff-rate quota provided in this Appendix shall not be counted toward the in-quota amount of any tariff-rate quota provided for such goods elsewhere in the HSK.
2. Unless otherwise indicated in this Agreement, Korea shall administer all tariff quota quantities on a first-come, first-served basis.

Auction System for Certain Tariff-Rate Quotas

3. (a) Korea may use an auction system, the terms of which shall be established by mutual agreement of the Parties, to implement and administer the tariff-rate quotas (“TRQs”) provided for in paragraphs 9, 11, 13, 14, 15, 20 of this Appendix (“auctioned TRQs”), provided that the conditions in subparagraphs 3(b) through 3(c) are met.¹
 - (b) (i) If less than 95 percent of the in-quota quantity of an auctioned TRQ is utilized in two of three consecutive years, the United States may request consultations with regard to the operation of the auction system with a view to identifying and addressing the causes for the incomplete utilization of the in-quota quantity. The Parties shall consider prevailing supply and demand conditions in the consultations.
 - (ii) The Parties shall hold consultations within 30 days of the request.
 - (iii) Korea shall implement any agreement that the Parties reach on the means to facilitate full utilization of an auctioned TRQ within 60 days or on such other date as the Parties may agree.
 - (iv) Korea shall permit originating goods to enter under the relevant TRQ on a first-come, first-served basis if:

¹ The terms of the auction system shall include provisions for the timely surrender and reallocation of unused licenses, as well as penalties for the failure to utilize or return unused licenses including the forfeiture of import performance bonds.

DRAFT

Subject to Legal Review for Accuracy, Clarity, and Consistency

- (A) Korea does not implement an agreement in accordance with clause (iii) of this sub-paragraph; or
 - (B) the consultations do not result in an agreement under clause (iii) of this sub-paragraph within 90 days of the request for consultations or on such other date as the Parties may agree.
- (c) At the request of either Party, the Parties shall consult on any matter related to the application or operation of this paragraph. The consultations shall begin within 15 business days of the receipt of the request or on such other date as the Parties may agree.

Licensing System for Certain Tariff-Rate Quotas

4. Korea may use a licensing system to implement and administer the TRQs provided for in paragraphs 10, 12, 15, 16, 17, 18, 19, 21, 22, 23, 24 of this Appendix, provided that the conditions set forth in subparagraphs 4(a) and 4(b) are met. The Parties shall agree on the policies and procedures for this licensing system, including eligibility to receive TRQ quantities, and any changes or amendments to them.
- (a) If less than 95 percent of the in-quota quantity of an allocated TRQ is utilized in two of three consecutive years, the United States may request consultations with regard to the operation of the allocation system with a view to identifying and addressing the causes for the incomplete utilization of the in-quota quantity. The Parties shall consider prevailing supply and demand conditions in the consultations.
 - (i) The Parties shall hold consultations within 30 days of the request.
 - (ii) Korea shall implement any agreement that the Parties reach on the means to facilitate full utilization of a TRQ within 60 days or on such other date as the Parties may agree.
 - (iii) Korea shall permit originating goods to enter under the relevant TRQ on a first-come, first-served basis if:
 - (A) Korea does not implement an agreement in accordance with clause (ii) of this sub-paragraph; or
 - (B) the consultations do not result in an agreement under clause (ii) of this sub-paragraph within 90 days of the request for consultations or on such other date as the Parties may agree.

DRAFT

Subject to Legal Review for Accuracy, Clarity, and Consistency

- (b) At the request of either Party, the Parties shall consult on any matter related to the application or operation of this paragraph. The consultations shall begin within 15 business days of the receipt of the request or on such other date as the Parties may agree.
5. Korea may require an originating agricultural good of the United States to be imported, purchased, or distributed within its territory by a state trading enterprise only when, and upon such terms and conditions as, agreed by the Parties.

Flatfish

6. (a) The aggregate quantity of goods entered under the provisions listed in subparagraph (c) shall be free of duty in any calendar year specified herein, and shall not exceed the quantities specified below in each such year:

Year	Quantity (Metric Tons)
1	1,530
2	1,652
3	1,785
4	1,927
5	2,082
6	2,248
7	2,428
8	2,622
9	2,832
10	3,058
11	3,303
12	unlimited

The quantities shall enter on a first-come, first-served basis

TRQs shall be allocated and entered in accordance with the TRQ disciplines in Appendix 2-B-1 and the provisions of Article 3.2.2 – 3.2.7 shall apply, except that with respect to paragraph 3.2.5, “agricultural good” shall for purposes of this TRQ be replaced with “industrial good”.

- (b) Duties on goods entered in aggregate quantities in excess of the quantities listed in subparagraph (a) shall be removed in accordance with the provisions of staging category **J** in Annex 2.b, paragraph 1(j).
- (c) Subparagraphs (a) and (b) apply to the following **HSK** provisions: 0303390000.

Soybeans for Human Consumption, Identity Preserved

19. (a) The aggregate quantity of goods entered under the provisions listed in subparagraph (c) shall be free of duty in any calendar year specified herein, and shall not exceed the quantities specified below for the United States in each such year:

Year	Quantity (Metric Tons)
1	10,000
2	20,000
3	25,000
4	25,750
5	26,523

After Year 5, the in-quota quantity grows at 3% per year, compounded annually.

TRQs shall be allocated and entered in accordance with the Agriculture Chapter of this agreement and the TRQ disciplines in Appendix 2-B-1.

TRQs shall be administered by an association of soybean processors through the Korea Agro-Fisheries Trade Corporation. The association shall allocate annual TRQ quantities among demanders of Identity Preserved Soybeans on a voluntary basis and the Corporation shall automatically issue import licenses on a first come, first serve basis.

The quantities shall enter from January 1st to December 31st each calendar year pursuant to import licenses that shall be issued upon written application to the Corporation. Each written application for an import license shall be accompanied by a signed letter of intent for the sale of identity preserved soybeans for delivery no earlier than 7 months after the importer applies for the import license. Each license shall be valid for a period of at least 18 months from the date of issuance, unless otherwise agreed to by the importer and the Corporation. When requested by the importer, shipments shall be accompanied by a statement from an independent third-party inspector certifying that the product meets the specifications listed below for IP soybeans.

(b) Duties on goods entered in aggregate quantities in excess of the quantities listed in subparagraph (a) shall be removed in accordance with the provisions of staging category X in paragraph 3(l) of the General Notes of the Republic of Korea.

(c) Subparagraphs (a) and (b) apply to the following HSK Provision: 1201009000. **Identity Preserved Soybeans** shall mean a shipment of soybeans that are not less than 95% of any single variety of soybean, and with not more than one percent of foreign material. Identity Preserved Soybeans shall not be shipped in bulk, but shipped in bags or containers.

12	Unlimited

TRQs shall be allocated and entered in accordance with the Agriculture Chapter of this agreement and the TRQ disciplines in Appendix 2-B-1.

TRQs shall be administered by the Korea Agro-Fisheries Trade Corporation. The Corporation shall allocate licenses upon written application on a first-come, first-served basis beginning on the first business day of January through January 31 of each year. If the total amount of originating goods applied for during January exceeds the total amount of originating goods available within the TRQ, licenses shall be allocated on a prorated basis. If the total amount of originating goods applied for during January is less than the total quantity available within the TRQ, licenses shall continue to be available throughout the year. Each license allocated by the Corporation shall be valid for a period of 90 days from the date of allocation, and unused licenses shall be surrendered to the Corporation upon the expiration of the 90-day period and reallocated to applicants on a first-come, first-served basis within 45 days of the date of surrender.

(b) Duties on goods entered in aggregate quantities in excess of the quantities listed in subparagraph (a) shall be removed in accordance with the provisions of staging category M paragraph 3(b) of the General Notes of the Republic of Korea.

(c) Subparagraphs (a) and (b) apply to the following HSK Provisions: 3505104000 and 3505105000.
