<p>1. The conditions affecting all the services sectors as specified in horizontal commitments and the schedule of Annex 9.6 (Schedule of Specific Commitments on Trade in Services) apply to this Schedule except for the specific provisions of this Annex.</p> <p>2. The Chilean financial services sector is partially compartmentalised, that is to say the institutions, domestic and foreign, authorised to operate as banks may not participate directly in the insurance and securities business and <i>vice versa</i>. However, subject to authorisation from the <i>Superintendencia de Bancos e Instituciones Financieras</i>, SBIF (Super intendency of Banks and Financial Institutions), domestic and foreign banks operating in Chile may set up subsidiaries, with their own and separate capital, to supply other financial services in addition to their main line of business. The main business of banks is accepting or receiving money from the public on a regular basis and granting money credits represented by securities or commercial paper or any other credit instrument.</p> <p>3. The subsectors and services included in this schedule are defined in accordance with the relevant Chilean legislation.</p> <p>4. With respect to mode 4 (presence of natural persons):</p> <p style="margin-left: 20px;">Unbound, except for transfers of natural persons within a foreign juridical person constituted in Chile in accordance with mode 3 (commercial presence), of senior and specialised personnel who have been employed by those organisations for a period of at least two years immediately preceding the date of their application for admission, performing the same type of duties in the parent company of their country of origin. In any case, foreign natural persons may not represent more than fifteen percent (15%) of the total staff employed in Chile, when the employer hires more than twenty-five (25) persons.</p> <p style="margin-left: 20px;">Senior personnel are those executives who come under the direct supervision of the board of directors of the juridical person constituted in Chile and who, <i>inter alia</i>:</p> <ul style="list-style-type: none"> • conduct the management of the organisation or one of its departments or subdivisions; • supervise and control the work of other supervisory, professional or managerial employees; • are personally authorised to hire and fire or recommend hiring or firing or any other measure related to personnel. <p style="margin-left: 20px;">Specialised personnel are those highly qualified persons who are indispensable to the supply of the service because of their professional knowledge or:</p> <ul style="list-style-type: none"> • possession of qualifications for a particular type of work or activity requiring specialised technical expertise; • essential knowledge for the supply of the service, research equipment, techniques or management; and • the non-availability of such specialised personnel in Chile. <p style="margin-left: 20px;">The category of senior and specialised personnel does not include the members of the board of directors of a company constituted in Chile (<i>Directorio</i>).</p> <p style="margin-left: 20px;">For all legal purposes, senior and specialised personnel must establish domicile or residence in Chile. Chile may restrict or prescribe on a non-discriminatory basis a specific type of legal entity, including subsidiaries, branches, representative offices or any other form of commercial presence that must be adopted by entities operating in all financial services subsectors.</p> <p>6. The introduction to the market of new financial services or products could be subject to the existence of, and consistency with, a regulatory framework designed to achieve the objectives set out in Article 10.6.</p> <p>7. The commitments relating to mode 2 (consumption abroad) do not require Chile to permit financial services providers to do business or solicit in its territory. Chile may define "doing business" and "solicit".</p> <p>9. Chile may take measures for prudential reasons through regulatory or administrative authorities, in addition to those who have regulatory responsibilities with respect to financial institutions, such as the Ministry of Labour.</p>
