Proposal for a

COUNCIL DECISION

on a Community position within the EU-Chile Association Council amending Annex I of the EU-Chile Association Agreement to take into account the consolidation of the tariff preferences granted to Chile by the Community scheme of generalised tariff preferences (GSP)

(presented by the Commission)

EXPLANATORY MEMORANDUM

The new Community scheme of generalised tariff preferences (GSP) Council Regulation, adopted on 27 June 2005 and whose provisions relevant to this proposal are due to enter into force on 1 January 2006, allows for the removal of a country from the GSP beneficiary list “*when a beneficiary country benefits from a commercial agreement with the Community which covers at least all the preferences provided by the present scheme for that country.*”

Most of the preferential agreements recently negotiated have already included the GSP preferences within the EU concessions. However, some Free Trade Agreements *inter alia* that with Chile did not cover a number of products, in particular agricultural and processed agricultural products, for which the partner countries continue to benefit from GSP preferences. The consolidation of these remaining GSP preferences will allow the inclusion, within the legal framework of the FTA, of all preferential import regimes applicable to Chile. Clarity at the customs clearance, long term economic predictability and legal certainty would be the main benefits for the economic operators of both parties. At the same time such a decision will allow the GSP to focus on its main objective of being a tool for development reserved to those countries eligible for a preferential treatment of an autonomous nature.

The Commission therefore proposes to the Council to adopt the enclosed Council Decision as the EU common position on the proposed EU-Chile Association Council Decision in Annex.

After the entry into force of the proposed EU-Chile Association Council Decision, the Commission will issue a subsequent Decision withdrawing Chile from the list of the GSP beneficiary countries.

Proposal for a

- (2) Chile, as current beneficiary country of the Community scheme of generalised tariff preferences, will benefit by means of the enclosed proposal for an EU-Chile Association Council Decision, from a commercial agreement which preferential treatment will cover all the preferences provided for by the tariff scheme contained in Council Regulation (EC) No 980/2005;

ANNEX

DRAFT Decision of the EU-Chile Association Council

No.../200(5) of ...

amending Annex I of the EU-Chile Association Agreement to take into account the consolidation of the tariff preferences granted to Chile by the Community scheme of generalised tariff preferences (GSP).

THE ASSOCIATION COUNCIL,

Having regard to the Association Agreement between the European Community and its Member States, of the one part, and the Republic of Chile, of the other part, signed in Brussels on 18 November 2002 (hereafter “Association Agreement”) and in particular Article 60 (5) thereof;

Whereas:

- (1) In order to ensure clarity, long term economic predictability and legal certainty for economic operators; parties have agreed to consolidate into their bilateral free trade agreement the remaining tariff preferences granted to Chile by the Community scheme of generalised tariff preferences (GSP) and not yet provided for by the Community tariff concessions listed in Annex I of the EU-Chile Association Agreement
- (2) Article 60 (5) of the Association Agreement empowers the Association Council to take decisions in order to accelerate the reduction of customs duties more rapidly than is provided for in Articles 65, 68 and 71, or otherwise improve the conditions of access under such Articles;
- (3) Such decision supersedes the terms established in Articles 65, 68 and 71 for the product concerned;
- (4) It is desirable to ensure a smooth transition from GSP to the preferential bilateral trade regime established by the EU-Chile Association Agreement by allowing GSP proofs of origin (certificate of origin Form A or invoice declaration) to be submitted for a certain period of time.

HAS DECIDED AS FOLLOWS:

Article 1

Annex I to the Association Agreement is hereby amended in accordance with the provisions contained in the Annex to this Decision.

Article 2
