

LISTS OF COMMITMENTS ON CROSS-BORDER SUPPLY OF SERVICES

SECTION A

EU PARTY

1. The list of commitments below indicates the services sectors liberalised pursuant to Article 172 of this Agreement, and, by means of reservations, the market access and national treatment limitations that apply to services and services suppliers of the Republics of the CA Party in those sectors. The list is composed of the following elements:
  - (a) A first column indicating the sector or sub-sector in which the commitment is assumed by the Party, and the scope of liberalisation to which the reservations apply;
  - (b) A second column describing the applicable reservations.

When the column referred to under (b) only includes Member State specific reservations, Member States not mentioned therein undertake commitments in the sector concerned without reservations (N.B. the absence of Member State specific reservations in a given sector is without prejudice to horizontal reservations or to sectoral EU-broad reservations that may apply).

Cross-border supply of services in sectors or sub-sectors covered by this Agreement and not mentioned in the list below is not committed.

2. In identifying individual sectors and sub-sectors:
  - (a) CPC means the Central Products Classification as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 77, CPC prov., 1991;
  - (b) CPC ver. 1.0 means the Central Products Classification as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 77, CPC ver. 1.0, 1998.

3. The list below does not include measures relating to qualification requirements and procedures, technical standards and licensing requirements and procedures when they do not constitute a market access or a national treatment limitation within the meaning of Articles 170 and 171 of this Agreement. Those measures (for example, need to obtain a license, universal service obligations, need to obtain recognition of qualifications in regulated sectors, need to pass specific examinations, including language examinations), even if not listed, apply in any case to service suppliers of the Republics of the CA Party.
4. The list below is without prejudice to the feasibility of Mode 1 in certain services sectors and sub-sectors and without prejudice to the existence of public monopolies and exclusive rights as described in the list of commitments on establishment.
5. In accordance with Article 159, paragraph 3 of this Agreement, the list below does not include measures concerning subsidies granted by the Parties.
6. The rights and obligations arising from this list of commitments shall have no self-executing effect and thus confer no rights directly to individual natural persons or juridical persons.

The list of commitments below indicates the services sectors or sub-sectors committed pursuant to Article 172 of this Agreement and, by means of reservations, the market access and national treatment limitations, conditions and qualifications that apply to services and services suppliers of the EU Party in those sectors or sub-sectors. The list is composed of the following elements:
  - (a) A first column indicating the services sector or sub-sector in which the commitment is assumed by the Party, and the scope to which the reservations apply;
  - (b) A second column describing the applicable reservations.
  
2. For the purpose of this list, the term none indicates a services sector or sub-sector where there are no limitations, conditions and qualifications to national treatment or market access. The term unbound indicates that no national treatment or market access commitments have been made.

For greater certainty, the absence of specific reservations in a given services sector or sub-sector is without prejudice to the horizontal reservations that apply.

3. Cross-border supply of services in sectors or sub-sectors not mentioned in the list below is not committed.
4. In identifying individual services sectors or sub-sectors:
  - (a) CPC means the Central Products Classification as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 77, CPC prov., 1991;

5. The list below does not include measures relating to qualification requirements and procedures, technical standards and licensing requirements (including any concession, permit, register and other authorisation) and procedures when they do not constitute market access or national treatment limitations, conditions and qualifications within the meaning of Articles 170 and 171 of this Agreement. Those measures (for example, need to obtain a license, universal service obligations, need to obtain recognition of qualifications in regulated sectors, need to pass specific examinations, including language examinations), even if not listed, apply in any case to services and services suppliers of the EU Party.

6. The list below is without prejudice to the feasibility of Mode 1 in certain services sectors or sub-sectors and without prejudice to the existence of public monopolies and exclusive rights as described in the list of commitments on establishment.
7. In accordance with Article 159, paragraph 3 of this Agreement, the list below does not include measures concerning subsidies granted by the Parties.
8. The rights and obligations arising from this list of commitments shall have no self-executing effect and thus confer no rights directly to individual natural persons or juridical persons.
