## TRANS-PACIFIC STRATEGIC ECONOMIC PARTNERSHIP AGREEMENT

### CERTIFICATE OF ORIGIN INSTRUCTIONS

Pursuant to Article 4.13, for the purposes of obtaining preferential tariff treatment this document must be completed legibly and in full by the exporter or producer and be in the possession of the importer at the time the declaration is made. Please print or type:

**Issuing Number:** Fill in the serial number of the certificate of origin.

- Field 1: State the full legal name, address (including country) and legal tax identification number of the exporter. The legal tax identification number in Chile is the Unique Tax Number ("Rol Unico Tributario"). The tax identification number is not applicable for Brunei Darussalam, New Zealand and Singapore.
- Field 2: If one producer, state the full legal name, address (including country, telephone number, fax number and email address) and legal tax identification number, as defined in Field 1, of said producer. (Tax ID is not applicable to Brunei Darussalam, New Zealand and Singapore.) If more than one producer is included on the Certificate, state "Various" and attach a list of all producers, including their legal name, address (including country, telephone number, fax number and email address) and legal tax identification number, cross referenced to the good or goods described in Field 4. If you wish this information to be confidential, it is acceptable to state "Available to Customs upon request". If the producer and the exporter are the same, complete field with "SAME". If the producer is unknown, it is acceptable to state "UNKNOWN".
- Field 3: State the full legal name, address (including country) as defined in Field 1, of the importer; if the importer is not known, state "UNKNOWN"; if multiple importers, state "VARIOUS".
- Field 4: Provide a full description of each good. The description should be sufficient to relate it to the invoice description and to the Harmonized System (HS) description of the good.
- Field 5: For each good described in Field 4, identify the HS tariff classification to six digits.
- Field 6: For each good described in Field 4, state which criterion (A through C) is applicable. The rules of origin are contained in Chapter 4 and Annex II of the Agreement. NOTE: In order to be entitled to preferential tariff treatment, each good must meet at least one of the criteria below.

#### Preference Criteria

- A The good is "wholly obtained or produced entirely" in the territory of one or more of the Parties, as referred to in Article 4.1 and 4.2 of the Agreement. NOTE: The purchase of a good in the territory does not necessarily render it "wholly obtained or produced".
- B The good is produced entirely in the territory of one or more of the Parties exclusively from originating materials. All materials used in the production of the good must qualify as "originating" by meeting the rules of Chapter 4 of the Agreement.
- C The good is produced entirely in the territory of one or more of the Parties and satisfies the specific rule of origin set out in Annex II of the Agreement (Specific Rules of Origin) that applies to its tariff classification as referred to in Article 4.2, or the provisions under Article 4.12 of the Agreement. The rule may include a tariff classification change, regional value-content requirement and a combination thereof, or specific process requirement. The good must also satisfy all other applicable requirements of Chapter 4 (Rules of Origin) of the Agreement.
- Field 7: For each good described in Field 4, state "YES" if you are the producer of the good. If you are not the producer of the good, state "NO" followed by (1) or (2), depending on whether this certificate was based upon: (1) your knowledge of whether the good qualifies as an originating good; (2) Issued by the producer's written Declaration of Origin, which is completed and signed by the producer and voluntarily provided to the exporter by the producer.
- Field 8: For each good described in Field 4, where the good is subject to a regional value content (RVC) requirement stipulated in the Agreement, indicate the percentage.
- Field 9: Identify the name of the country. ("BN" for all goods originating from Brunei Darussalam, "CL" for all goods originating from Chile, "NZ" for all goods originating from New Zealand, "SG" for all goods originating from Singapore)
- Field 10: This field must be completed, signed and dated by the exporter or producer. The date must be the date the Certificate was completed and signed.
